Foreword

As we travel through this "Train Load of Memories"—memories of classmates, faculty, skillfully played ball games, class projects and parties, convocations, concerts, club activities, and, yes, even the problems, examinations, and daily grind of school life—the staff hopes that you will enjoy and cherish the memorable events and experiences graphically preserved for you in this year's volume of the LLAMARADA. Through the years to come may this pictorial record also be a vivid and constant reminder of a valuable and happy period in the lives of all those sharing together the worthwhile contributions Ellettsville High School has made to society in 1963-64.

So let's all get aboard for a ride through the 1964 LLAMARADA.

A D M I N I S T R A T I O N

Superintendent's Message

With the closing of the 1963-64 school year, the senior classes of Ellettsville and Stinesville bring to a close the long line of graduations that have taken place in these two fine schools.

I hope the traditions that have been developed by former graduates will serve as a guide for our new school, which is designed to help meet the educational needs of all the boys and girls that may attend.

It is my sincere hope that you may take your place in society with a feeling that your teachers and the other sources of knowledge and inspiration with which you came in contact during your school days will be a great help to you in making your future successful.

As superintendent of the Richland-Bean Blossom School District, I wish each of you a happy and successful life.

Raymond J. Trobaugh

Principal's Message

To Students, Faculty, and Friends:

I would like to begin by expressing my best wishes and deep appreciation to all concerned for making this a most productive and enjoyable year. A chain is no stronger than its weakest link. All that has been accomplished has been the result of fine cooperation by students, parents, faculty, and friends.

May I take this opportunity to wish each of you success in all your future endeavors. Don't be satisfied with mediocre efforts. The individual who exerts the "extra effort" usually wins. Have respect for others and they will in turn respect you.

To the graduating seniors I would especially like to offer my congratulations for reaching this milestone in your education. Learning is a continuous process throughout your life. Your future progress depends only upon your initiative. I have enjoyed working with each of you and may the future fulfill each of your many desires.

Donald D. Bennett

School

Dick Jacobs, William Brown, Raymond Trobaugh, James Ferguson, and Robert Miles, members of the Richland-Bean Blossom School Board, take time from their various occupations to plan the district's school program. They form the vital link between the community and the school. Mr. Trobaugh is the superintendent and Mr. Ferguson is the district's lawyer.

Chorus

The Future Homemakers of America organization was founded in 1945 with chapters in both the United States and Puerto Rico, and the Ellettsville unit was instituted in February, 1951. Its purpose is to train young women to be worthy homemakers of tomorrow.

In their monthly meetings the local members hold interesting panel and round table discussions on such topics as teen-age problems and family relationships. They have opportunity to display their cooking skills with refreshments and dishes taken to pitch-in dinners.

The national goal of F.H.A. is "to help individuals improve personal, family, and community living." In fulfilling this purpose, the local chapter canvassed Ellettsville and Richland Township on "Heart Sunday" in February of the National Heart Association.

Bugs

A typical junior picture. Food comes first with these boys.

Hurry, boys. Only five minutes you know.

Anybody for a nap? Study hall is getting me down.

The last page is finished, the deadline has been met, and Ellettsville High School's final year is drawing to a close. Ahead lie the prom, graduation, summer vacations, summer jobs, plans for higher education, and the move into a new million dollar high school building next September. Through our combined efforts we, the members of the 1964 yearbook staff, have sought to produce a volume which well may be the final LLAMARADA publication. As the halls grow dim and the classrooms quiet for the last time, may this book recall happily for you the events of the past year and hold this school forever dear in your memory.
